

The Colorado Department of Human Services, Office of Behavioral Health and
Department of Health Care Policy & Financing present

Working with Persons with Dual Diagnoses (IDD and Mental Health Conditions)

The workshop will provide skills and knowledge concerning diagnosing and working with individuals who have both an intellectual and developmental disability (IDD) and a mental health condition.

Two tracks will be available:

- 1) Clinical focus on introduction to Dual Diagnosis; Best Practices in Bio-Psych-Social Model of Assessment - and Adapting Psychotherapy practices for people with IDD.
- 2) Mental health approaches with persons with IDD for service providers working with people with IDD
